

STEP #1

Attach swivel seat to round table using (4) 5/16 x 3/4" bolts and nuts.

STEP #2

Attach plate to seat swivel using (4) 5/16" x 3/4" bolts and nuts.

STEP #3

Slide 1.312 O.D. pipe into bottom of plate and tighten set bolt on plate.

STEP #4

Slide sleeve onto 1.312 O.D. pipe and tighten both set bolts.

Note: Adjust sleeve to desired height after completely assembled.

STEP #5

Slide legs into spindle and tighten set bolts.

STEP #6

Lift complete table and slide the 1.312 O.D. Pipe into the spindle. Now you can adjust the sleeve to the desired height.
